HOW IT WORKS

Four reasons traders choose us

Your profits are no longer just numbers on a screen. The Fiper Card turns them into real purchasing power fast.

1

Direct Link to Your Trading Account

Your Fiper card connects directly to your trading account — move profits to purchasing power in minutes, with no intermediaries and no extra steps.

2

Instant Activation — Live in 5 Minutes

Virtual card activated in 5 minutes. Physical card ready in 5–10 minutes. Start spending the same day you sign up — no delays, no bureaucracy.

3

Apple Pay & Google Pay Ready

Add your Virtual Card to your phone wallet instantly. Pay with a tap anywhere in the world — your profits, now literally in your pocket.

4

No Monthly Fees — Ever

Pay once to issue your card. No monthly charges, no hidden fees, no subscriptions. Just 1.7% top-up and $0.40 per transaction — fully transparent.
